## 6. Joint Commission of Christian World Communions and the World Council of Churches

The CWCs Conference of Secretaries steering committee (meeting in Geneva, May 2006) welcomed the decisions reflected in the 9<sup>th</sup> Assembly policy reference committee report. The committee welcomed the assembly recommendation that “the WCC initiate, within the next year and in consultation with the Christian World Communions, a joint consultative commission to discuss and recommend ways to further strengthen the participation of Christian World Communions in the WCC” (PRC Report, para 25).

The Steering Committee suggested that the meetings of such a consultative body should be annual and made to coincide with the annual steering committee meeting of the CWC Conference of Secretaries in May each year. The meetings are usually held in Geneva, and the proposal anticipates a one-day encounter.

It is proposed that the Central Committee appoint the following to this Commission:

Bishop Nareg Amezian, Armenian Apostolic Church (Holy See of Cilicia), moderator

Bishop Sally Dyck, United Methodist Church

Fr Benedict Ioannou, permanent representative of the Ecumenical Patriarchate to the WCC

Fr Michael Gundiaev, permanent representative of the Moscow Patriarchate to the WCC

It is proposed that the Central Committee authorize the General Secretary to appoint no more than four members of the staff to accompany the work of the joint commission.
